Address	Address
Tel No	Tel No

I apply for membership of The Business Club meeting at the Lord Leycester Hotel every Wednesday morning at 7am and enclose a completed standing order mandate. I understand that although the club does not have a strict policy for the benefit of all members regular and punctual attendance is expected. Membership applications will be submitted to the committee for consideration and whose decision shall be final. Any member who has a concern over conflict of interest is able to submit an objection to the committee. The committee will consider many aspects of the applications but will pay particular attention to the membership of referral clubs and ability to add value to the group. In the event of membership being denied any payment made will be returned to the applicant. The Business Club is a not for profit organisation. Fees collected will be used to promote the group through marketing and advertising after paying all running expenses.
